TERMS AND CONDITIONS

PART A

Prices for products offered via the Services may change at any time, and the Services do not provide price protection or refunds in the event of a price reduction or promotional offering.

If a product becomes unavailable following a transaction but prior to download, your sole remedy is a refund.

If technical problems prevent or unreasonably delay delivery of your product, your exclusive and sole remedy is either replacement or refund of the price paid, as determined by Apple.

1-Click®
1-Click is a registered service mark of Amazon.com, Inc., used under license. 1-Click is a convenient feature that allows you to make a purchase from the Services with a single click of your mouse or other input device.

When accessing the Services on your computer, 1-Click purchasing may be activated via the dialog that appears when you click a Buy button. (You may reset this selection at any time by clicking Reset Warnings in your Account information).

When accessing the Services on your Apple-branded products running iOS such as an iPad, iPod touch, or iPhone ("iOS Device"),

1-Click is activated for each transaction by tapping the button showing the price of the product, which reveals the Buy button. When 1-Click is activated, clicking or tapping the Buy button starts the download immediately and completes your transaction without any further steps.

GIFT CERTIFICATES, ITUNES CARDS AND CODES, ALLOWANCES, AND CONTENT CODES

Gift Certificates, iTunes Cards and Codes, and Allowances are issued and managed by Apple Value Services, LLC ("Issuer").

Gift Certificates, iTunes Cards and Codes, Content Codes, and Allowances, in addition to unused balances, are not redeemable for cash and cannot be returned for a cash refund (except as required by law);

exchanged; resold; used to purchase Gifts, Gift Certificates, or iTunes Cards or Codes; used to provide Allowances; used for purchases on the Apple Online Store; or used in Apple Retail Stores.

Unused balances are not transferable.

Gift Certificates, iTunes Cards and Codes, Content Codes, and Allowances purchased in the United States may be redeemed through the Services only in the United States, its territories, and possessions.

The Gift Certificate/iTunes Card/Code cash value is 1/10 of one cent.

Neither Issuer nor Apple is responsible for lost or stolen Gift Certificates, iTunes Cards or Codes, Content Codes, or Allowances. Risk of loss and title for Gift Certificates, iTunes Cards and Codes, and Allowances transmitted electronically pass to the purchaser in Virginia upon electronic transmission to the recipient.

Risk of loss and title for Content Codes transmitted electronically pass in California upon electronic transmission from Apple; for avoidance of doubt, such recipient may not always be you.

Apple reserves the right to close accounts and request alternative forms of payment if a Gift Certificate, iTunes Card or Code, Content Code, or Allowance is fraudulently obtained or used on the Service.

APPLE, ISSUER, AND THEIR LICENSEES, AFFILIATES, AND LICENSORS MAKE NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO GIFT CERTIFICATES, ITUNES CARDS OR CODES, CONTENT CODES, ALLOWANCES, OR THE ITUNES STORE, APP STORE, MAC APP STORE, OR IBOOKS STORE, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

IN THE EVENT THAT A GIFT CERTIFICATE, ITUNES CARD OR CODE, CONTENT CODE, OR ALLOWANCE IS NONFUNCTIONAL,

YOUR SOLE REMEDY, AND OUR SOLE LIABILITY, SHALL BE THE REPLACEMENT OF SUCH GIFT CERTIFICATE, ITUNES CARD OR CODE, CONTENT CODE, OR ALLOWANCE.

THESE LIMITATIONS MAY NOT APPLY TO YOU.

CERTAIN STATE LAWS DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES OR THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES.

IF THESE LAWS APPLY TO YOU, SOME OR ALL OF THE ABOVE DISCLAIMERS, EXCLUSIONS, OR LIMITATIONS MAY NOT APPLY TO YOU, AND YOU MAY ALSO HAVE ADDITIONAL RIGHTS.

GIFTS

Gifts purchased from the Services may be purchased only for, and redeemed only by, persons in the United States, its territories, and possessions.

Gift recipients must have compatible hardware and parental control settings to utilize some gifts.

PRE-ORDERS

By pre-ordering products, you are authorizing the Services to automatically charge your account and download the product when it becomes available.

You may cancel your pre-order prior to the time the item becomes available.

FAMILY SHARING

Family Sharing allows you to share eligible iTunes, App Store, Mac App Store, and iBooks Store products with up to six members (including yourself) of a "Family."

If you set up or join a Family, you may view the eligible products of other Family members and download such products to your compatible device or computer.

You can also choose to hide purchases so that other Family members will not be able to view or download them from you.

You can share information such as photos and videos via the Photos app,

events via your Family Calendar, reminders via the Reminders app,

location information via Find My Friends, and device location via Find My iPhone. Family Sharing is for personal, non-commercial use only.

iTunes and iCloud accounts are required;

iOS 8 and/or OS X Yosemite are required to start and join a Family.

Certain transactions and features may not be compatible with earlier software and may require a software upgrade.

If you join a Family, the features of Family Sharing are enabled on your compatible devices and computers automatically.

The "Organizer" of a Family can invite other members to participate in the Family. The Organizer must be 18 years or older and must have an eligible payment method registered with iTunes.

If you are an Organizer, you represent that you are the parent or legal guardian of any Family member under age 13.

The Organizer's payment method is used to pay for any purchase initiated by a Family member in excess of any store credit in such initiating Family member's account.

Products are associated with the account of the Family member who initiated the transaction.

BY INVITING FAMILY MEMBERS TO JOIN A FAMILY, THE ORGANIZER AGREES THAT ALL FAMILY MEMBER PURCHASES ARE AUTHORIZED BY AND ARE THE RESPONSIBILITY OF THE ORGANIZER, EVEN IF THE ORGANIZER WAS UNAWARE OF ANY PARTICULAR PURCHASE, IF A FAMILY MEMBER EXCEEDED HIS OR HER AUTHORITY AS GRANTED BY THE ORGANIZER, OR IF MULTIPLE FAMILY MEMBERS PURCHASE THE SAME PRODUCT.

THE ORGANIZER IS RESPONSIBLE FOR COMPLIANCE WITH ANY AGREEMENT WITH ITS PAYMENT METHOD PROVIDER,

AND ASSUMES ALL RISK IN THE EVENT THAT SHARING ACCESS TO SUCH PAYMENT METHOD LIMITS ANY PROTECTION OFFERED BY THE PAYMENT METHOD PROVIDER.

The Organizer can change the payment method on file at any time.

A record of the purchase will be sent to the initiating Family member and the Organizer, even if the purchase is hidden by the Family member;

please use Report a Problem on your receipt

if you or your Family members do not recognize charges on your receipt or payment method statement.

The Organizer can use the Ask to Buy function to require children under the age of 18 to obtain permission from the Organizer, and/or other adults designated by the Organizer, to download free or paid products before a purchase or download commences.

Products downloaded from Family members and products acquired via redemption codes are not subject to Ask to Buy.

If you are an Organizer, you represent that you and/or any adult designee is the parent or legal guardian of any Family member for whom Ask to Buy is activated.

Ask to Buy is optimized for iOS 8 and OS X Yosemite; product purchase or download requests from earlier software may present users with an alternative permission process or prevent purchases altogether, and may require a software upgrade.

Apple is not responsible for any harm resulting from a delay in Ask to Buy approvals or denials.

The Organizer may remove any Family member from the Family, which will terminate that Family member's ability to initiate authorized purchases on the Organizer's payment method, and that Family Member's ability to view and share other Family members' products and information.

When a Family member leaves or is removed from a Family, the remaining Family members may no longer be able to view or download the departing member's products or information, or access products previously downloaded from the departing Family member, including purchases made on the Organizer's payment method while the departing member was part of the Family.

Similarly, if you leave a Family, you may no longer be able to view or download the products or information of the other Family members, and products that you downloaded from other Family members while a member of the Family may no longer be accessible.

If you have made In-App Purchases from an app originally purchased by a departed Family member or downloaded from a Family member and you no longer belong to the Family, you need to purchase the app yourself and restore the In-App Purchases to regain access to them;

please review the developer's policies and the section of this Agreement entitled "In-App Purchases" before buying In-App Purchases.

Because personal accounts for users under age 13 can only be created as part of Family Sharing, deleting such an account in order to remove it from the Family will terminate that Family member's Apple ID and his or her ability to access any Apple services that require an Apple ID or any content associated with that Apple ID.

You can only belong to one Family at a time, and may join any Family no more than twice per year. You can change the store account you associate with a Family no more than once every 90 days.

All Family members must use the same iTunes Store country or region.

Music, movies, TV shows and books can be downloaded from the iTunes Service on up to 10 devices per account, only five of which can be computers;

eligible apps can be downloaded to any devices the Family member owns or controls.

Not all products, including In-App Purchases, content that is not available for re-download, subscriptions, and some previously purchased apps, are eligible for Family Sharing.

Apple reserves the right to disband a Family in accordance with the "Termination" section of this Agreement.

ELECTRONIC CONTRACTING
 Your use of the Services includes the ability to enter into agreements and/or to make transactions electronically. YOU ACKNOWLEDGE THAT YOUR ELECTRONIC SUBMISSIONS CONSTITUTE YOUR AGREEMENT AND INTENT TO BE BOUND BY AND TO PAY FOR SUCH AGREEMENTS AND TRANSACTIONS. YOUR AGREEMENT AND INTENT TO BE BOUND BY ELECTRONIC SUBMISSIONS APPLIES TO ALL RECORDS RELATING TO ALL TRANSACTIONS YOU ENTER INTO ON THIS SITE, INCLUDING NOTICES OF CANCELLATION, POLICIES, CONTRACTS, AND APPLICATIONS.

In order to access and retain your electronic records, you may be required to have certain hardware and software, which are your sole responsibility.

NON-APPLE DEVICES If you sign up for an Account or use a Service covered by this Agreement on a non-Apple-branded device or computer, you may have access to only a limited set of Account or Service functionality.

As a condition to accessing your Account or a Service on a non-Apple-branded device or computer, you agree to all relevant terms and conditions found in this Agreement.

including, without limitation, all requirements for use of an Account or Service, limitations on use, availability, disclaimers of warranties, rules regarding your content and conduct, and termination.

Terms found in this Agreement relating to features or Services not available for non-Apple-branded device or computer users will not be applicable to you. These include, for example, the App Store.

If you later choose to access your Account or a Service from an Apple-branded device or Apple-branded computer, you agree that all of the terms and conditions contained herein apply to your use of such Account or Service.

Apple is not responsible for typographic errors.

Terms and Conditions

Part B

YOUR ACCOUNT

As a registered user of the iTunes Service, you may establish an account ("Account").

Don't reveal your Account information to anyone else.

You are solely responsible for maintaining the confidentiality and security of your Account and for all activities that occur on or through your Account, and you agree to immediately notify Apple of any security breach of your Account.

Apple shall not be responsible for any losses arising out of the unauthorized use of your Account.

In order to purchase and download iTunes Products from the iTunes Service, you must enter your Apple ID and password or use Touch ID to authenticate your Account for transactions.

Once you have authenticated your Account using your Apple ID and password, you will not need to authenticate again for fifteen minutes on your computer or iOS Device;

During this time, you will be able to purchase and download iTunes Products without re-entering your password.

For more information, please see <http://support.apple.com/kb/HT1904> and <http://support.apple.com/kb/HT4213>.

You can choose to allow your computer or Apple TV to remember your password to remain authenticated.

You can turn off the ability to make iTunes Product transactions or change settings to require a password for every transaction by adjusting the settings on your computer, iOS Device, or Apple TV.

You agree to provide accurate and complete information when you register with, and as you use, the iTunes Service ("iTunes Registration Data"),

and you agree to update your iTunes Registration Data to keep it accurate and complete.

You agree that Apple may store and use the iTunes Registration Data you provide for use in maintaining and billing fees to your Account.

AUTOMATIC DELIVERY AND DOWNLOADING PREVIOUS PURCHASES

When you first acquire music, purchased (i.e. not rented) movie, TV show and music video iTunes Products (collectively, "iTunes Eligible Content"), you may elect to automatically receive ("auto-download") copies of such iTunes Eligible Content on additional compatible iOS Devices (except for purchased movies and TV show iTunes Products) and iTunes-authorized computers with compatible software by associating such iOS Devices and computers subject to the association rules below (each, an "Associated Device").

For each Associated Device, you may specify which type of iTunes Eligible Content, if any, may be auto-downloaded to it.

On an Associated Device that is capable of receiving push notifications ("Push-Enabled"), including iOS Devices, the iTunes Eligible Content will auto-download to that Associated Device when it has an Internet connection;

on an Associated Device that is not Push-Enabled, iTunes Eligible Content will automatically appear in the download queue and you may manually initiate the download within iTunes.

As an accommodation to you, subsequent to acquiring iTunes Eligible Content, you may download certain of such previously-acquired iTunes Eligible Content onto any Associated Device.

Some iTunes Eligible Content that you previously acquired may not be available for subsequent download at any given time, and Apple shall have no liability to you in such event.

As you may not be able to subsequently download certain previously-acquired iTunes Eligible Content, once you download an item of iTunes Eligible Content, it is your responsibility not to lose, destroy, or damage it, and you may want to back it up.

Association of Associated Devices is subject to the following terms:

(i) You may auto-download iTunes Eligible Content or download previously-acquired iTunes Eligible Content from an Account on up to 10 Associated Devices, provided no more than 5 are iTunes-authorized computers.

(ii) An Associated Device can be associated with only one Account at any given time.
 (iii) You may switch an Associated Device to a different Account only once every 90 days.
 (iv) You may download previously-acquired free content onto an unlimited number of devices while it is free on the iTunes Service, but on no more than 5 iTunes-authorized computers.

An Apple TV is not an "Associated Device." However, TV show iTunes Products and purchased (i.e. not rented) movies iTunes Products may be played back on compatible Apple TVs, provided that you may only play back any such TV show or movie on a limited number of Apple TVs at the same time.

Some pieces of iTunes Eligible Content may be large, and significant data charges may result from delivery of such iTunes Eligible Content over a data connection.

ITUNES MATCH

iTunes Match permits you to remotely access your matched or uploaded songs, and music videos you have purchased with your Account,

along with related metadata, playlists, and other information about your iTunes Library ("iTunes Match Content").

You may subscribe to iTunes Match for an annual fee. You must have a valid credit card on file with iTunes to subscribe.

The subscription is non-refundable (except as required by applicable law), and will automatically renew for one-year periods until you cancel.

Your account will be charged no more than 24 hours prior to the expiration of the current subscription period. You may cancel automatic renewal by adjusting the iTunes Store account settings on your computer.

You will no longer be able to access your iTunes Match Content from iTunes Match after the end of your subscription period.

iTunes Match works with libraries that contain up to 100,000 songs which are either

(i) not currently available on the iTunes Service, or (ii) not purchased from the iTunes Service with your Account.

Songs that do not meet certain quality criteria or that are not authorized for your computer are not eligible for iTunes Match.

In order to set up and use iTunes Match, information about the media in your iTunes library, your operating system and hardware identifiers, will be collected and associated with your Account on Apple's servers.

iTunes Match automatically scans the song files and collects other information that may be used to identify media in your iTunes library, such as the names of songs, song artists or song durations. iTunes Match will use this information to match songs to those currently available on the iTunes Store, and will make matched songs available to you in a format then available on the iTunes Store.

If the song is not successfully matched, your copy of the song will be uploaded to Apple in the same format or a format determined by Apple. Apple reserves the right to limit types of content uploaded (for example, excessively large files).

Matched or uploaded songs and related metadata will be available for access from an Associated Device that has been enabled for iTunes Match.

Association of Associated Devices for iTunes Match is subject to the same terms as Automatic Delivery and Downloading Previous Purchases, and uploaded or matched songs and related information are deemed to be "iTunes Eligible Content."

You may also access iTunes Match Content from compatible Apple TVs, provided that you may only do so on a limited number of Apple TVs at the same time.

When you use iTunes Match, Apple will log information such as the tracks you play, stop or skip, the devices you use, and the time and duration of playback.

By using iTunes Match, you agree and consent to Apple's and its subsidiaries' and agents' transmission, collection, maintenance, processing, and use of this information,

including your iTunes Match usage information, to report to licensors and pay royalties, provide and improve iTunes features and services and other Apple products and services, and as otherwise permitted in accordance with Apple's Privacy Policy, available here: <http://www.apple.com/legal/privacy/>.

You hereby agree to use iTunes Match only for lawfully acquired content.

Any use for illegitimate content infringes the rights of others and may subject you to civil and criminal penalties, including possible monetary damages, for copyright infringement.

iTunes Match is provided on an "AS IS" basis and may contain errors or inaccuracies that could cause failures, corruption or loss of data and/or information, including music, playlist, and play history, from your computer or device and from peripherals (including, without limitation, servers and other computers) connected thereto. You should back up all data and information on your computer or device and any peripherals prior to using iTunes Match.

You expressly acknowledge and agree that all use of iTunes Match is at your sole risk. To the extent permitted by law, Apple shall have no liability with respect to your use of iTunes Match, including the inability to access matched or uploaded content.

PRIVACY

The iTunes Service is subject to Apple's Privacy Policy at <http://www.apple.com/legal/privacy/>.

When you opt in to the Genius feature, Apple will, from time to time, automatically collect information that can be used to identify media in your iTunes library on any Genius-enabled device, such as your play history and playlists.

This includes media purchased or acquired through iTunes and media obtained from other sources. This information will be stored anonymously and will not be associated with your name or Account.

When you use the Genius feature, Apple will use this information and the contents of your iTunes library, as well as other information, to give personalized recommendations to you.

Apple may only use this information and combine it with aggregated information from

the iTunes libraries of other users who also opt in to this feature, your iTunes Store purchase history data, aggregated purchase history data from other iTunes Store users, and other information obtained from third parties, to:

- Create personalized playlists for you from your iTunes library.
- Provide you with recommendations regarding media and other products and services that you may wish to purchase or acquire.
- Provide recommendations regarding products and services to other users.

At all times your information will be treated in accordance with Apple's Privacy Policy.

Once you opt in to the Genius feature, you will be able to create Genius playlists on Genius-capable devices.

If you prefer that we do not collect and use information from your iTunes library in this manner, you should not enable the Genius feature. You can revoke your opt-in choice at any time by turning off the Genius feature from the Store menu in iTunes on your computer or turning off Genius in the Settings on your device. After you opt out, iTunes will no longer send information about your iTunes library to Apple. If you have elected to share your library from multiple devices, you need to turn off the Genius feature from each device.

By opting in to the Genius feature, you consent to the use of your information as described above and as described in Apple's Privacy Policy.

CONTENT AVAILABILITY

Apple reserves the right to change content options (including eligibility for particular features) without notice. For further information or concerns about closed captioning in specific content within the iTunes Store, please email accessibility@apple.com. You may also contact Thomas Montgomery, Accessibility Response Engineer, 1 Infinite Loop, Cupertino, California 95014, Phone/Fax: 408-783-5512.

USE OF CONTENT

You agree that the iTunes Service and certain iTunes Products include security technology that limits your use of iTunes Products and that, whether or not iTunes Products are limited by security technology, you shall use iTunes Products in compliance with the applicable usage rules established by Apple and its licensors ("Usage Rules"), and that any other use of the iTunes Products may constitute a copyright infringement.

Any security technology is an inseparable part of the iTunes Products. Apple reserves the right to modify the Usage Rules at any time.

You agree not to violate, circumvent, reverse-engineer, decompile, disassemble, or otherwise tamper with any of the security technology related to such Usage Rules for any reason—or to attempt or assist another person to do so.

Usage Rules may be controlled and monitored by Apple for compliance purposes, and Apple reserves the right to enforce the Usage Rules without notice to you.

You agree not to access the iTunes Service by any means other than through software that is provided by Apple for accessing the iTunes Service. You shall not access or attempt to access an Account that you are not authorized to access.

You agree not to modify the software in any manner or form, or to use modified versions of the software, for any purposes including obtaining unauthorized access to the iTunes Service. Violations of system or network security may result in civil or criminal liability.

USAGE RULES

(i) You shall be authorized to use iTunes Products only for personal, noncommercial use.

(ii) You shall be authorized to use iTunes Products on five iTunes-authorized devices at any time, except for Content Rentals (see below).

(iii) You shall be able to store iTunes Products from up to five different Accounts at a time on compatible devices,

provided that each iPhone may sync tone iTunes Products with only a single iTunes-authorized device at a time, and syncing an iPhone with a different iTunes-authorized device will cause tone iTunes Products stored on that iPhone to be erased.

(iv) You shall be authorized to burn an audio playlist up to seven times.
(v) You shall not be entitled to burn video iTunes Products or tone iTunes Products.

(vi) iTunes Plus Products do not contain security technology that limits your usage of such products, and Usage Rules (ii) - (v) do not apply to iTunes Plus Products.

You may copy, store, and burn iTunes Plus Products as reasonably necessary for personal, noncommercial use.

(vii) You shall be able to manually sync a movie from at least one iTunes-authorized device to devices that have manual sync mode, provided that the movie is associated with an Account on the primary iTunes-authorized device, where the primary iTunes-authorized device is the one that was first synced with the device or the one that you subsequently designate as primary using iTunes.

(viii) An HDCP connection is required to view content transmitted over HDMI.

(ix) Content Rentals
(a) Content rentals are viewable on only one device at a time. You must be connected to the iTunes Service when moving rentals, and you may do so only between your computer and other compatible devices.

Content rented using your Apple TV, iPad, iPhone 4, or iPod touch (4th generation) may not be moved.

If you move a rental to a compatible device and then use the iTunes Service to restore that device, or choose Settings > Reset > Erase all content and settings on that device, the rental will be permanently deleted.

(b) Once you purchase a rental, you must fully download the rental within thirty (30) days. You have thirty (30) days after downloading a rental to begin viewing.

Once you begin viewing, you have twenty-four (24) hours to finish viewing a movie. Stopping, pausing, or restarting a rental does not extend the available time for viewing.

Some iTunes Products, including but not limited to Content rentals, may be downloaded only once and cannot be replaced if lost for any reason.

It is your responsibility not to lose, destroy, or damage iTunes Products once downloaded, and you may wish to back them up.

The delivery of iTunes Products does not transfer to you any commercial or promotional use rights in the iTunes Products.

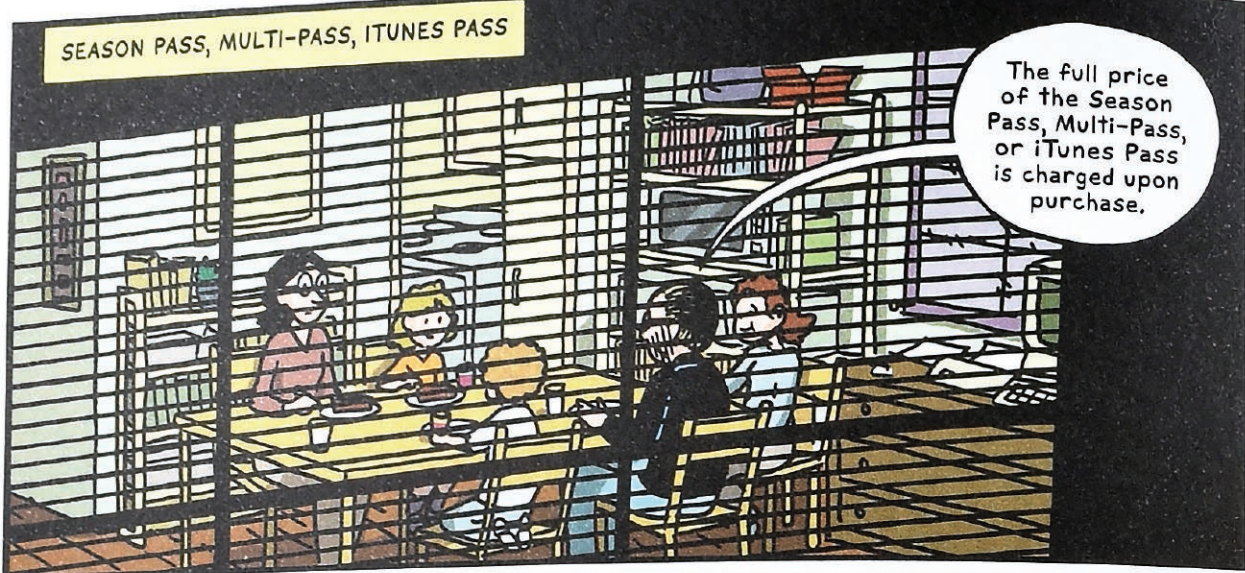

Any burning or exporting capabilities are solely an accommodation to you and shall not constitute a grant, waiver, or other limitation of any rights of the copyright owners in any content embodied in any iTunes Product.

You acknowledge that, because some aspects of the iTunes Service, iTunes Products, and administration of the Usage Rules entails the ongoing involvement of Apple, if Apple changes any part of or discontinues the iTunes Service, which Apple may do at its election,

you may not be able to use iTunes Products to the same extent as prior to such change or discontinuation, and that Apple shall have no liability to you in such case.

SEASON PASS, MULTI-PASS, ITUNES PASS

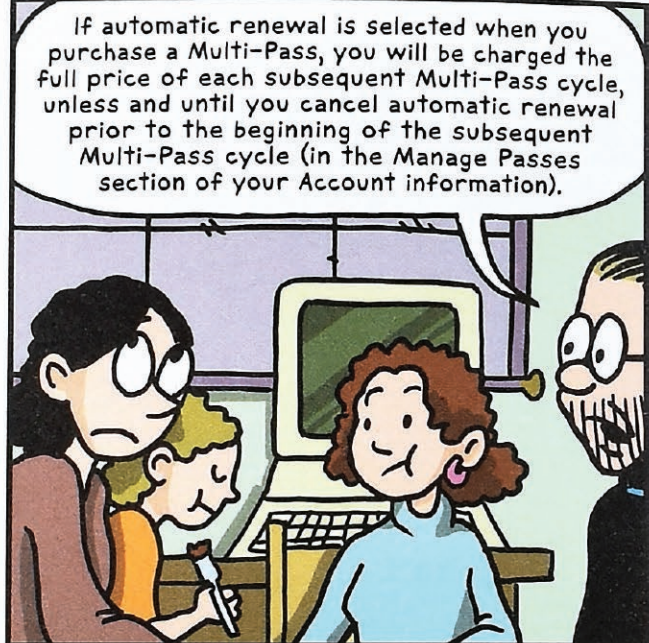

The full price of the Season Pass, Multi-Pass, or iTunes Pass is charged upon purchase.

You must connect to the iTunes Service and download any remaining Pass content within 90 days after the final Pass content becomes available (or such other time period as may be specified on the purchase page), after which that content may no longer be available for download as part of the purchase.

If automatic renewal is selected when you purchase a Multi-Pass, you will be charged the full price of each subsequent Multi-Pass cycle, unless and until you cancel automatic renewal prior to the beginning of the subsequent Multi-Pass cycle (in the Manage Passes section of your Account information).

If a network or studio delivers fewer TV episodes than planned when you purchased a Season Pass, we will credit to your Account the retail value of the corresponding number of episodes.

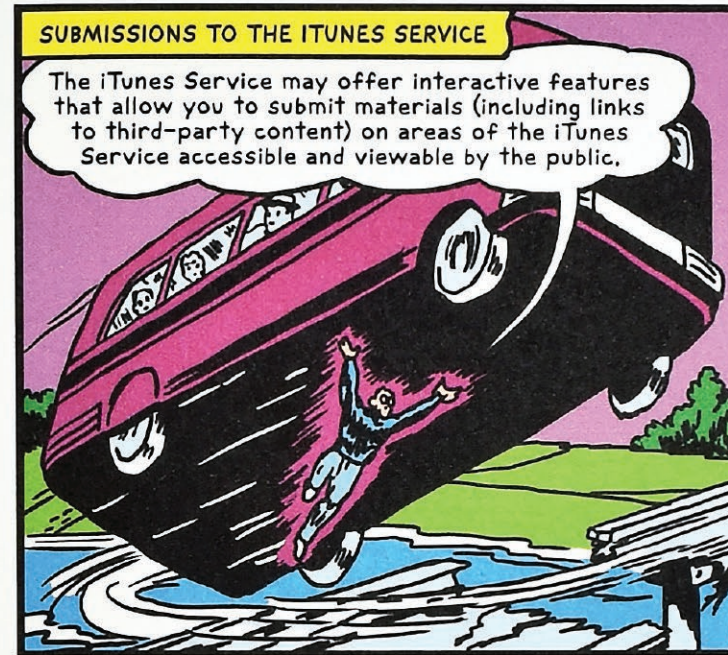

HIGH-DEFINITION (HD) ITUNES PRODUCTS

HD iTunes Products are viewable only on HD capable devices; however, HD iTunes Products purchased (not rented) include a standard-definition version for use on non-HD devices.

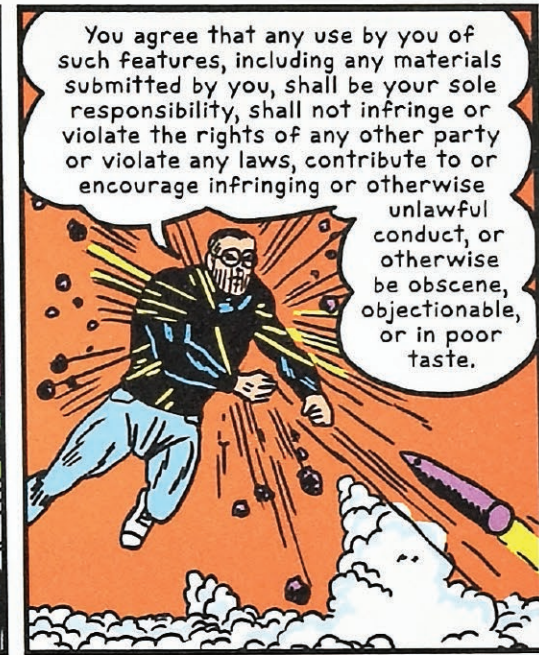

SUBMISSIONS TO THE ITUNES SERVICE

The iTunes Service may offer interactive features that allow you to submit materials (including links to third-party content) on areas of the iTunes Service accessible and viewable by the public.

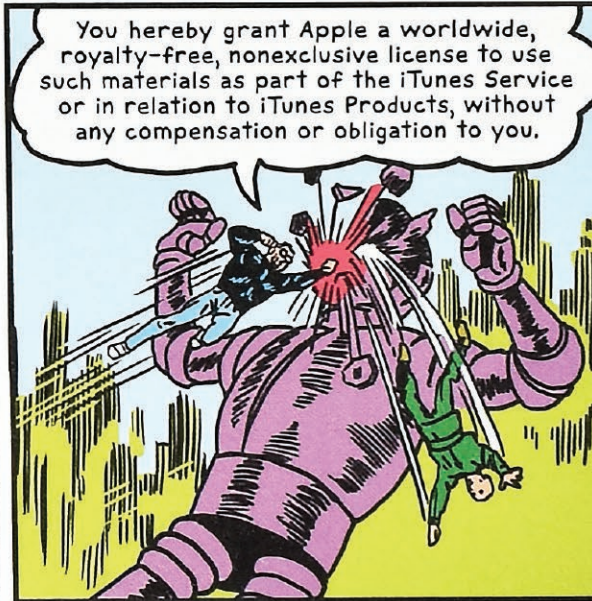

You agree that any use by you of such features, including any materials submitted by you, shall be your sole responsibility, shall not infringe or violate the rights of any other party or violate any laws, contribute to or encourage infringing or otherwise unlawful conduct, or otherwise be obscene, objectionable, or in poor taste.

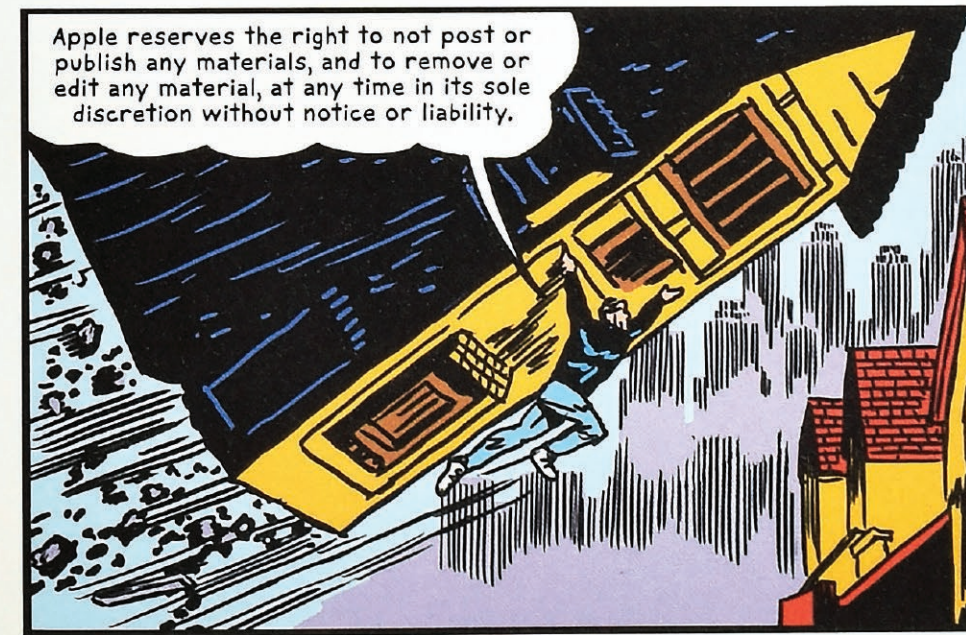

You also agree that you have obtained all necessary rights and licenses. You agree to provide accurate and complete information in connection with your submission of any materials on the iTunes Service.

You hereby grant Apple a worldwide, royalty-free, nonexclusive license to use such materials as part of the iTunes Service or in relation to iTunes Products, without any compensation or obligation to you.

Apple reserves the right to not post or publish any materials, and to remove or edit any material, at any time in its sole discretion without notice or liability.

Apple has the right, but not the obligation, to monitor any materials submitted by you or otherwise available on the iTunes Service, to investigate any reported or apparent violation of this Agreement, and to take any action that Apple in its sole discretion deems appropriate, including, without limitation, termination hereunder or under Apple's Copyright Policy (<http://www.apple.com/legal/copyright.html>).

THIRD-PARTY MATERIALS

Certain content, iTunes Products, and services available via the iTunes Service may include materials from third parties.

Apple may provide links to third-party websites as a convenience to you.

You agree that Apple is not responsible for examining or evaluating the content or accuracy and Apple does not warrant and will not have any liability or responsibility for any third-party materials or websites, or for any other materials, products, or services of third parties.

You agree that you will not use any third-party materials in a manner that would infringe or violate the rights of any other party and that Apple is not in any way responsible for any such use by you.

OBJECTIONABLE MATERIAL

You understand that by using the iTunes Service, you may encounter material that you may deem to be offensive, indecent, or objectionable, and that such content may or may not be identified as having explicit material.

Nevertheless, you agree to use the iTunes Service at your sole risk and Apple shall have no liability to you for material that may be found to be offensive, indecent, or objectionable.

iTunes Product types and descriptions are provided for convenience, and you agree that Apple does not guarantee their accuracy.

A very small percentage of people may experience seizures or blackouts when exposed to flashing lights or patterns, including but not limited to while playing video games or watching videos.

Parents should monitor their children's use of the products offered through the iTunes Service for signs of symptoms.

INTELLECTUAL PROPERTY

You agree that the iTunes Service, including but not limited to iTunes Products, graphics, user interface, audio clips, video clips, editorial content, and the scripts and software used to implement the iTunes Service, contains proprietary information and material that is owned by Apple and/or its licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright.

You agree that you will not use such proprietary information or materials in any way whatsoever except for use of the iTunes Service in compliance with this Agreement.

No portion of the iTunes Service may be reproduced in any form or by any means, except as expressly permitted in these terms. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the iTunes Service in any manner, and you shall not exploit the iTunes Service in any unauthorized way whatsoever, including, but not limited to, by trespass or burdening network capacity.

Notwithstanding any other provision of this Agreement, Apple and its licensors reserve the right to change, suspend, remove, or disable access to any iTunes Products, content, or other materials comprising a part of the iTunes Service at any time without notice.

In no event will Apple be liable for making these changes. Apple may also impose limits on the use of or access to certain features or portions of the iTunes Service, in any case and without notice or liability.

All copyrights in and to the iTunes Service (including the compilation of content, postings, links to other Internet resources, and descriptions of those resources) and related software are owned by Apple and/or its licensors, who reserve all their rights in law and equity.

THE USE OF THE SOFTWARE OR ANY PART OF THE ITUNES SERVICE, EXCEPT FOR USE OF THE ITUNES SERVICE AS PERMITTED IN THIS AGREEMENT, IS STRICTLY PROHIBITED AND INFRINGES ON THE INTELLECTUAL PROPERTY RIGHTS OF OTHERS AND MAY SUBJECT YOU TO CIVIL AND CRIMINAL PENALTIES, INCLUDING POSSIBLE MONETARY DAMAGES, FOR COPYRIGHT INFRINGEMENT.

Apple, the Apple logo, iTunes, and other Apple trademarks, service marks, graphics, and logos used in connection with the iTunes Service are trademarks or registered trademarks of Apple Inc. in the U.S. and/or other countries.

Other trademarks, service marks, graphics, and logos used in connection with the iTunes Service may be the trademarks of their respective owners.

You are granted no right or license with respect to any of the aforesaid trademarks and any use of such trademarks.

As an Account holder of the iTunes Service in good standing, you may be provided with limited access to download certain album cover art for music stored in the iTunes Library of your iTunes application.

Such access is provided as an accommodation only, and Apple does not warrant, and will not have any liability or responsibility for, such album cover art or your use thereof.

You may access album cover art only for music for which you are the lawful owner of a legal copy. Album cover art is provided for personal, noncommercial use only.

You agree that you will not use album cover art in any manner that would infringe or violate this Agreement or the rights of any other party, and that Apple is not in any way responsible for any such use by you.

TERMINATION

The latest version of required software (including, but not limited to iOS, iTunes and/or Mac App Store software) is recommended to access the App and Book Services and may be required for certain transactions or features and to download App and Book Products previously purchased or acquired from the App and Book Services.

AUTOMATIC DELIVERY AND DOWNLOADING PREVIOUS PURCHASES

When you first acquire App and Book Products (excluding products acquired from the Mac App Store) through the App and Book Services (collectively, "Eligible Content"),

you may elect to automatically receive ("auto-download") copies of such Eligible Content on additional compatible Apple-branded hardware with compatible software by associating such hardware subject to the association rules below (each, an "Associated Device").

For each Associated Device, you may specify which type of Eligible Content, if any, may be auto-downloaded to it. On an Associated Device that is capable of receiving push notifications ("Push-Enabled"), including iOS Devices, the Eligible Content will auto-download to that Associated Device when it has an Internet connection;

on an Associated Device that is not Push-Enabled, including those running on the Windows operating system, Eligible Content will automatically appear in the download queue and you may manually initiate the download within iTunes.

As an accommodation to you, subsequent to acquiring Eligible Content, you may download certain of such previously-acquired Eligible Content onto any Associated Device.

Some Eligible Content that you previously acquired may not be available for subsequent download at any given time, and Apple shall have no liability to you in such event.

As you may not be able to subsequently download certain previously-acquired Eligible Content, once you download an item of Eligible Content, it is your responsibility not to lose, destroy, or damage it, and you may want to back it up.

Association of Associated Devices is subject to the following terms:

- (i) You may auto-download Eligible Content or download previously-acquired Eligible Content from an Account on up to 10 Associated Devices, provided no more than 5 are iTunes-authorized computers.
- (ii) An Associated Device can be associated with only one Account at any given time.
- (iii) You may switch an Associated Device to a different Account only once every 90 days.
- (iv) You may download previously-acquired free content onto an unlimited number of devices while it is free on the App and Book Services, but on no more than 5 iTunes-authorized computers.

The above terms (i) to (iv) do not apply to App Store Products.

Some pieces of Eligible Content may be large or may initiate the ongoing delivery of content based on usage and resource constraints, and significant data charges may result from delivery of such Eligible Content over a data connection.

AUTOMATIC DELIVERY OF UPDATES

Your device or computer will periodically check with the App Store, App Store for Apple TV and Mac App Store for updates to the apps on your device or computer and, if available, the update may automatically download and install. Certain App Store Products may also download additional content, such as game levels or chapters, on an on-going basis based on usage and resource constraints. You agree that Apple, through the App Store, App Store for Apple TV and Mac App Store, may automatically download and install updates and content onto your device(s) or computer. You can turn off automatic updates altogether at any time by changing the automatic updates settings on your device or computer. To prevent the download of on-demand content within an App Store Product, delete the App Store Product from your device.

APP BUNDLES

Some App Store Products may contain multiple items ("App Bundles"). The price displayed with an App Bundle is the price you will be charged upon purchasing the App Bundle. The App Bundle price may be reduced to account for App Store Products you have already purchased or acquired, but may include a minimum charge to complete the App Bundle.

ADDITIONAL MAC APP STORE AND APP STORE TERMS AND CONDITIONS

LICENSE OF MAC APP STORE AND APP STORE PRODUCTS

The software products made available through the Mac App Store and App Store (collectively, the "App Store Products") are licensed, not sold, to you.

There are two (2) categories of App Store Products, as follows: (i) those App Store Products that have been developed, and are licensed to you, by Apple ("Apple Products"); and (ii) those App Store Products that have been developed, and are licensed to you, by a third-party developer ("Third-Party Products"). The category of a particular App Store Product (Apple Product or Third-Party Product) is identified on the Mac App Store application or App Store application.

Your license to each App Store Product is subject to the Licensed Application End User License Agreement set forth below, and you agree that such terms will apply unless the App Store Product is covered by a valid end user license agreement entered into between you and the licensor of that App Store Product (the "Application Provider"), in which case the Application Provider's end user license agreement will apply to that App Store Product. The Application Provider reserves all rights in and to the App Store Product not expressly granted to you.

You acknowledge that the license to each Apple Product that you obtain through the App Store Services, as defined below, or you associate with your Account, is a binding agreement between you and Apple. You acknowledge that: you are acquiring the license to each Third-Party Product from the Application Provider; Apple is acting as agent for the Application Provider in providing each such Third-Party Product to you; and Apple is not a party to the license between you and the Application Provider with respect to that Third-Party Product.

IN-APP PURCHASES

Certain App Store Products may include functionality that enables you to receive additional services, or licenses to additional functionality or content for use within the App Store Product ("In App Purchases"). In App Purchases that are consumed during the use of the App Store Product (for example, virtual ammunition) cannot be transferred among devices; can be downloaded only once; and after being downloaded, cannot be replaced.

Once a consumable In App Purchase is acquired and received by you, Apple shall be without liability to you in the event of any loss, destruction, or damage. All In App Purchases are deemed App Store Products, and In App Purchases received within Third-Party Products are deemed Third-Party Products, and treated as such, for purposes of these terms and conditions.

You must authenticate to acquire In-App Purchases separately from any authentication to obtain App Store Products by entering your password when prompted, but once you have authenticated to obtain an In-App Purchase, you will be able to acquire additional In-App Purchases for fifteen minutes without re-entering your password. You can turn off the ability to acquire In-App Purchases on your iOS Device by following the steps outlined at <http://support.apple.com/kb/HT4213>.

IN-APP SUBSCRIPTIONS

Certain App Store Products may include functionality that enables you to acquire content on a subscription basis ("In App Subscriptions"). Paid In App Subscriptions are non-refundable.

In App Subscriptions will automatically renew for the applicable time period you have selected, and, where applicable, your Account will be charged no more than 24-hours prior to the expiration of the current In App Subscription period. You may cancel automatic renewal of paid In App Subscriptions by selecting Manage App Subscriptions in your Account and selecting the subscription you want to modify.

In the event of a price increase, the In App Subscription may continue at the new price upon prior notice to you unless you have cancelled automatic renewal. You may cancel free In App Subscriptions by deleting the App Store Product from your device. Certain paid In App Subscriptions may offer a free trial period prior to charging your Account. If you decide you do not want to purchase the In App Subscription, turn off auto-renewal in your Account settings during the free trial period.

Certain In App Subscriptions may be designated as magazine and newspaper products. You should review additional information about the magazine and newspaper subscription offer at the point of sale within the App Store Product.

We may ask for your permission to provide the name, email address and zip code listed in your Account to the Application Provider of such magazine and newspaper subscriptions so that the Application Provider can send you marketing messages about its own products in accordance with its publicly posted privacy policy.

Once the Application Provider has this information, it will be treated in accordance with the Application Provider's privacy policy. We encourage you to learn about the privacy practices of the Application Provider before agreeing to give it your personal information. For more information, please review the Application Provider's privacy policy or contact the Application Provider directly.

Any App Store Product that is subject to the license granted under this Standard EULA is referred to herein as the "Licensed Application".

Neither the Licensor, nor its agents, nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of stock information, location data or any other data displayed by any External Services.

You agree that the External Services contain proprietary content, information and material that is owned by Licensor and/or its agents or licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright,

and that you will not use such proprietary content, information or materials in any way whatsoever except for permitted use of the External Services

or in any manner that is inconsistent with the terms of this Standard EULA or that infringes any intellectual property rights of a third party or Apple.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

f. Limitation of Liability. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL LICENSOR BE LIABLE FOR PERSONAL INJURY OR ANY INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER,

SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES,

SO THIS LIMITATION MAY NOT APPLY TO YOU.

In no event shall Licensor's total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of fifty dollars (\$50.00).

You acknowledge that you are purchasing the content made available through the iBooks Store Service (the "iBooks Store Products") from the third-party provider of that iBooks Store Product (the "Publisher");

Apple is acting as agent for the Publisher in providing each such iBooks Store Product to you; Apple is not a party to the transaction between you and the Publisher with respect to that iBooks Store Product; and the Publisher of each iBooks Store Product reserves the right to enforce the terms of use relating to that iBooks Store Product.

The Publisher of each iBooks Store Product is solely responsible for that iBooks Store Product, the content therein, any warranties to the extent that such warranties have not been disclaimed,

and any claims that you or any other party may have relating to that iBooks Store Product or your use of that iBooks Store Product.

D. APPLE MUSIC TERMS AND CONDITIONS

THIS LEGAL AGREEMENT BETWEEN YOU AND APPLE INC. ("APPLE") GOVERNS YOUR USE OF THE APPLE MUSIC SERVICE AND ANY FEATURES ACCESSIBLE THEREFROM (THE "APPLE MUSIC SERVICE").

THE APPLE MUSIC SERVICE

Apple is the provider of the Apple Music Service, which permits you to access digital music and other content ("Apple Music Products") for end user use only under the terms and conditions set forth in this Agreement.

REQUIREMENTS FOR USE OF THE APPLE MUSIC SERVICE

The Apple Music Service is only available to individuals aged at least 13 years (or equivalent minimum age based on local law).

unless your Apple ID was provided to you as a result of a request by an approved educational institution or established as part of the Family Sharing feature by your parent or guardian.

Children under the age of majority should review this Agreement with their parent or guardian to ensure that the child and parent or legal guardian understand it.

We do not knowingly collect, use or disclose personal information from children under 13, or equivalent minimum age in the relevant jurisdiction, without verifiable parental consent.

Parents and guardians should also remind any minors that conversing with strangers on the Internet can be dangerous and take appropriate precautions to protect children, including monitoring their use of the Apple Music Service.

The Apple Music Service is available to you only in the United States, its territories, and possessions. You agree not to use or attempt to use the Apple Music Service from outside these locations. Apple may use technologies to verify your compliance.

Use of the Apple Music Service requires a compatible device, Internet access, and certain software; may require periodic updates; and may be affected by the performance of these factors.

High-speed Internet access is strongly recommended for regular use and is required for video; access or cellular data fees may apply. Requires iOS 8.4, iTunes 12.2 or Android 4.1 or later.

The latest version of required software is recommended and may be required for certain transactions or features.

You agree that meeting these requirements, which may change from time to time, is your responsibility.

YOUR APPLE MUSIC ACCOUNT

As a registered user of the Apple Music Service, you may establish an Account as set forth in, and subject to the terms of, the "Your Account" paragraph of the iTunes Store Terms and Conditions.

In order to use some features of the Apple Music Service, you must enter your Apple ID and password or use Touch ID to authenticate your Account. You agree to provide accurate and complete iTunes Registration Data when you register with, and as you use, the Apple Music Service.

Apple logs information about your use of the Apple Music Service. This information includes, but is not limited to, the Apple Music Products you listen to (including whether you skip or stop) and the length of your listening session. Apple may also collect device information such as IP address, device type, operating system version and type, and unique device identifiers.

Any music preference information you provide to Apple will also be stored in association with your Account.

This information will be used by Apple for purposes such as providing the Apple Music Service, personalizing our recommendations to you, reporting to licensors and paying royalties, customizing and improving Apple products and Services including the Apple Music Service, providing relevant advertising, protecting against fraud and enforcing this Agreement.

By using the Apple Music Service, you agree and consent to Apple's and its subsidiaries' and agents' transmission, collection, maintenance, processing, and use of this information for the aforementioned purposes and as otherwise permitted in accordance with Apple's Privacy Policy, available here: <http://www.apple.com/legal/privacy/>.

APPLE MUSIC SUBSCRIPTION
If you buy a subscription to the Apple Music Service (an "Apple Music Subscription"), Apple will automatically charge the payment method associated with your Apple ID or the payment method associated with your Family Sharing Organizer's account on a recurring basis until you turn off automatic renewal.

You may turn off automatic renewal of your Apple Music Subscription at any time in the Account Settings menu on your device or computer, or in the Settings app on your device.

If you turn off automatic renewal, you will continue to have access to the Apple Music Service for the remainder of your Apple Music Subscription term.

When your Apple Music Subscription term ends, you will lose access to any feature of the Apple Music Service that requires an Apple Music Subscription.

including but not limited to access to Apple Music Products accessible through the Apple Music Service or stored on your device, and any songs stored in your iCloud Music Library.

Apple Music Subscription purchases are final. Your payment method will be charged no more than 24 hours prior to the expiration of the current Apple Music Subscription period.

To be eligible for an Apple Music Subscription at the family rate (where available), you must be enrolled in Family Sharing.

If you are a Family Organizer, you agree that Apple will automatically charge your payment method on a recurring basis for any Apple Music Subscription purchases initiated by your Family members until automatic renewal is turned off on the applicable Family member's device or computer.

YOU ARE RESPONSIBLE FOR THE TIMELY PAYMENT OF ALL APPLE MUSIC SUBSCRIPTION FEES AND FOR PROVIDING APPLE WITH A VALID PAYMENT METHOD.

If Apple is unable to successfully charge your payment method for Apple Music Subscription fees due, Apple reserves the right to cancel your Apple Music Subscription.

If your Apple Music Subscription is cancelled, you will lose access to any feature of the Apple Music Service that requires an Apple Music Subscription.

If you want to designate a different payment method or if there is a change in your payment method status,

you must change your information in the Account Settings menu on your device or computer;

this may temporarily disrupt your access to the Apple Music Service while Apple verifies your new payment information.

We may contact you via email or push notification regarding your Account or any Apple Music Service feature, for reasons including, without limitation, that your Apple Music Subscription will not automatically renew or will be cancelled.

Where available, you may be offered an Apple Music Subscription through your carrier (a "Carrier Subscription"). If you purchase a Carrier Subscription, your carrier will bill you for the cost of your Apple Music Subscription.

Your relationship with the carrier is governed by the carrier's terms and conditions, not this Agreement, and any disputes related to a Carrier Subscription must be directed to your carrier, not Apple.

By using the Apple Music Service, you agree that your carrier may exchange your carrier account information, telephone number and subscription information with Apple,

and Apple may use this information to determine the status of your Carrier Subscription.

iCLOUD MUSIC LIBRARY

The iCloud Music Library feature is available to Apple Music subscribers who log in with an Apple ID. iCloud Music Library subscribers can remotely access songs and music stores and permits you to remotely access songs and music videos purchased from the iTunes Store and other songs, along with related metadata, playlists, and other information from your other Apple Music-enabled devices.

iCloud Music Library is turned on automatically when you set up your Apple Music Subscription. You will be prompted to enable iCloud Music Library when you log in to Apple Music on additional devices.

You can enable iCloud Music Library in the Apple Music app settings on your device and in iTunes General Preferences on your computer. You can store up to 100,000 songs in iCloud Music Library. Songs purchased from the iTunes Store do not count against this limit.

Songs that do not meet certain criteria or that are not authorized for your device or computer are not eligible for iCloud Music Library. You will not be able to access content stored in your iCloud Music Library when your Apple Music Subscription ends.

but you can download songs that were previously acquired from the iTunes Store as set forth in, and subject to the terms of, the "Automatic Delivery and Downloading Previous Purchases" paragraph of the iTunes Store Terms and Conditions.

You hereby agree to use iCloud Music Library only for lawfully acquired content.

Any use for illegitimate content infringes the rights of others and may subject you to civil and criminal penalties, including possible monetary damages, for copyright infringement.

When you set up your Apple Music Subscription or enable iCloud Music Library, Apple Music will scan the song files on your device or computer and collect other information that may be used to identify media in your Music Library, such as the names of songs, song artists or song durations.

iCloud Music Library will use this information to identify songs currently available on Apple Music, and will make identified songs available to you in a format then available on Apple Music.

Unidentified songs on your device will remain in local storage, and unidentified songs on your computer are uploaded to iCloud Music Library in the same format or a format determined by Apple.

You should backup your Music Library before setting up your Apple Music Subscription or enabling iCloud Music Library. Apple assumes no liability for content that is lost in connection with iCloud Music Library.

iCloud Music Library should not be used as backup storage for content.

Apple reserves the right to limit types of content uploaded (for example, excessively large files).

Identified or uploaded songs and related metadata will be available for access from an Apple Music-compatible device into which you have logged in with your Account and that has been enabled for iCloud Music Library.

When you set up your Apple Music Subscription or enable iCloud Music Library, Apple logs information such as the tracks you play, stop or skip, the devices you use, and the time and duration of playback.

By using iCloud Music Library, you agree and consent to Apple's and its subsidiaries' and agents' transmission, collection, maintenance, processing, and use of this information,

including your iCloud Music Library usage information, to report to licensors and pay royalties, provide and improve Apple Music features and services and other Apple products and services,

and as otherwise permitted in accordance with Apple's Privacy Policy, available here: <http://www.apple.com/legal/privacy/>.

DEVELOPMENT NOTES

This graphic novel incorporates the complete text of the iTunes Terms and Conditions (the United States, English language version), as retrieved here: apple.com/legal/internet-services/itunes/us/terms.html.

Each page is based on a specific preexisting comics page or series of panels, as noted in the Index. Initially, I drew 10 to 14 pages at a time, in concentrated work periods. These drawn pages were then combined with the iTunes text. I would occasionally shuffle the order of the drawn pages to allow for some interesting juxtaposition of word and image, but generally any connection between the two was complete happenstance.

When I began the project in November 2014, the most recent version of the Terms and Conditions was dated September 17, 2014 and consisted of three parts and 15,791 words. My first 35 comics pages were completed in April 2015 and self-published as a black and white mini-comic, *iTunes Terms and Conditions, Part A and Part B*.

While I was drawing the pages for Part C, the Terms and Conditions were updated on June 30, 2015 and expanded to four parts and 20,554 words. I went back and corrected the text on the completed pages and finished the rest. A revised 36 page edition of *Part A and Part B* was self-published in September 2015. That same month, the final 58 pages were also compiled as a black and white mini-comic, *iTunes Terms and Conditions, Part C and Part D*.

These 94 black and white pages plus the mini-comics covers were posted online, one per day, on my Tumblr, *iTunes Terms and Conditions: The Graphic Novel*, between September 16 and December 19, 2015 (itunestandc.tumblr.com).

For this collected edition, I have added the chapter title pages for Parts B and D, retouched and/or colored every page, and revised the text once again, to the most current update, October 21, 2015. This version consists of 20,669 words.

The artwork was drawn and lettered digitally using Photoshop and InDesign, with a Cintiq pen display connected to an iMac, naturally.

THE CONTRACT EVERYONE AGREES TO BUT NO ONE READS

"Terms and conditions just got a lot more readable, thanks to comics artist R. Sikoryak." —*The Guardian*

"[Terms and Conditions] makes for surprisingly engaging reading — proof, if it were needed, that comics make everything better." —*Wired*

"A very clever piece of work." —*The Washington Post*

"Deeply weird, sometimes revelatory...an admirable, and delightfully idiosyncratic, survey of the existing diversity in the comics medium — stylistic, thematic, and cultural." —*Slate*

"R. Sikoryak is a virtuoso cartoonist." —*The Observer*

"'Awesome' and 'inspiring' probably aren't the words that leap to mind when you scroll through Apple's iTunes contract — but that's about to change..." —*The Huffington Post*

"Hilarious." —*Time*

"Outside of the novelty of such a project (and its usefulness, since you're far more likely to actually read the godforsaken thing now) the best part is seeing R. Sikoryak style every page into a different comics homage." —*GQ*

"R. Sikoryak hit a cultural sweet spot [with this] graphic novel adaptation of the complete and unabridged legal text of Apple's iTunes terms and conditions agreement." —*Publishers Weekly*

"Each of R. Sikoryak's iTunes drawings is a masterpiece." —*Gadgette*

"A fascinating, very well-drawn reframing of the binding agreement that all of us are far too unfamiliar with." —*Fusion*
