CALL THE CAPTAIN! UGH!
CAPTAIN AND HIS WIFE WERE DEAD!
AND TWO MONSTERS WERE UPON A MAN
THEY WERE CARRIED TO THE CAPTAIN'S CABIN.
CAPTAIN AND HIS WIFE WERE DEAD!
CAPTAIN AND HIS WIFE WERE DEAD!
CAPTAIN AND HIS WIFE WERE DEAD!
CAPTAIN AND HIS WIFE WERE DEAD!
PANDORA GROVEHOSE. WELL, WELL, WELL. THE DAUGHTER OF THE MAN WHO GAVE YOU THAT BLACK EYE!

FRIGHT. THAT’S NOT DOWN TO ME. DON’T GO WHAT?

THE CAPTAIN AND I ARE NOT INTERESTED. WE MAY HAVE CERTAIN THINGS IN COMMON.

I ASKED HER UP IN A CAR WHO HADN’T DRIVEN A ROUND TRIP. THEY’VE BEEN COOKING ME THE HURRICANES.

Maybe it’s true. She’s been out a little ahead of schedule.

LETS APPROACH THEM. WHAT THEY NEED HELP.

Turbo, you’re left to the last. Was that boat going here?

That’s odd. It’s you. But it was clear the route. Of course, we didn’t want to be either east or south.

WOT DO YOU THINK WORST IS IT VEE!

Curt, get the crew ready to board her.

Very Good.

But we haven’t got to go to the next port. I don’t suspecting it.

They’re running in a fog.

A British ship when they’re started. A fantastic sight last.

A British cruiser.

They’ll think we are a British ship. Do you think going to the next port. When we went in the ship in our boat. We can’t do with the crew.

Captain Remington, she’s got a black mark.

The Dutch ship turns a black mark.

I don’t have such a feeling like the look of that ship.

A British patrol aboard a Catalina. Do you think the homefront should be as... mean... they should welcome them aboard. I don’t have such a feeling like the look of that ship.
Thank you, Captain.

Come on, vary! Don’t be so superstitious. Good luck, commanders. Step on board.

I am Captain Barrington. Commanded by the British armed forces. Commanded by the British armed forces. Commanded by the British armed forces. Commanded by the British armed forces.

Excuse me? You don’t speak English.

You’re carrying a case of tea? The government is sending it as well as your ship and everything in it.

But, you must be mad. Who hasn’t been declared. You have absolutely no right.

And you have a British uniform and coupons. Which means this is an act of piracy!

Yes, it’s pirates!

You’ve killed him, you brute!

Better do an instant headcount.

Does anyone else want to follow the Captain?

I shall not rest until I have.

What’s going on? I heard a shot!

Ray, you bunch of bastards! They’re really trying to kill him!

Don’t forget the charge. Arsehole.

Where’s the body? There’s no body. What are you doing?

Guess what?

You won’t be coming here. You’ll be going! That’s a good thing, isn’t it? Crack Crack! Crack Crack! Crack Crack! Crack Crack! Crack Crack!

Born to avoid the war, you had on your side was a gifted navigator who had a love for adventure. The boys were expert in a vehicle and took them on board.

Oh, well, Mr. Sutter, there's no mystery about that. You and the boys were both hired by a Swiss bank and were sent to the Pacific. The plan was to capture the island and take them on board.

And that's it. We'll be on our way. It's all going to be over. Thank you for your help.

Good evening, Commander. What's up?

I'm English. But Pan, there's an American in the background.

Am I seen? But why didn't you see us when you saw the machine guns?
YOU SEE, I'M ONE OF THEM.
ACCORDING TO YOU, I CAN TAKE ADVANTAGE OF THE SITUATION.
I KNOW WHAT YOU'RE DOING!

I just can't understand how you can be so kind to the Germans. Running all the German sailors in the world in a corner is quite happy to leave to the British.

That's the sort of nonsense! Quite happy to leave to the British.

I'll never understand how we can trust the Germans and never, never, never the old chap.

Just a second, what do you say in this reason, don’t do what’s? Pandora and them have escaped around a house. In the, but I didn’t go start.

Pandora and her family have escaped around a house. In the, but I didn’t go start.

You really, I think when understanding that, they are here, let’s go.

The gulls are leaving us Pandora. They mean, when will leave way from the island.

If they haven’t followed us far, it means they won’t here still Pandora.

Kake? alone on the coconut shell in the middle of the ocean.

Don’t worry, the weather’s fine and we made a fire, always hungry, what my people were able to come from from tale in their great changes.

Pora woman near some shell.

No, I am not looking down, those story’s beginning so on.

I was afraid of what you saw, what you know. How the giant birds will attack against the men. The giant birds put down on the beach. But I was afraid of the giant birds. How many people aren’t around of the sea and where they’re across as in the flowers.

Was afraid a man too?

For kure the great, the ocean and the giant birds. The wind, the giant birds could turn on the sea. Why, the giant birds could turn on the sea. They were leaving us.

We clapped their hands as they sailed, as they sail, and we feared the giant birds.

Yeah, the giant birds on my journey went on the rough sea.
I do what I can. He quitte you. Unlikely officer.

Goodbye, Mr. Smith. And take care of yourself. We're going to have to try to get to the end of this adventure in one piece.

Meanwhile, a few miles to the south...

Our charts aren't much help.

Call up the new recruit who boarded with Captain Trench's detachment.

Sergeant, the captain wants to see the officer in charge. Gather with your detachment.

You there, I don't know what's going on. But the captain's calling for you.

You can't have another drink after my terms?

Do you know what commando?

You're one brave guy!
WELL, MY LAD, I CALLED YOU UP HERE SO THAT YOU COULD HELP ME TO FIGHT OFF THE SHARKS.

I CAN'T GUESS THE DAY WE'LL HAVE TO FIGHT FOR THE SHARKS. IT'S NOT THE DAY I HOPED FOR, BUT IT'S THE DAY I MIGHT HAVE TO FIGHT.

LISTEN TO ME, LAD. I DON'T WANT YOU TO FIGHT. I WANT YOU TO GO BACK TO THE ISLAND AND WALK BACK TO WHERE I LEFT THE SHARKS.

IF I FIND IT FOR YOU, BUT NOT OUTSIDE THE SHARKS, I'LL KNOW WHERE THE SHARKS ARE.

THE SHARKS DO YOU REAR THE SHARKS OR BEHIND THE SHARKS?

BUT IT'S TRUE, UNCLE. I SAW THE SHARKS ON THE ISLAND. I TOLD YOU IT WAS MAD.

WHAT'S HAPPENING?

I'VE SEEN THE SHARKS. THEY'RE NOT MAD.

YES, A SHARK. I SAW THE SHARKS IN THE WATER. I SAW THEM SWIMMING.

YOU'RE NOT THE FIRST PERSON TO SEE A SHARK.

NO, CAN'T. THAT'S NOT WHY I WANT YOU TO COME ON THE ISLAND. IT'S BECAUSE I LIKE YOU.

THERE ARE MANY THINGS YOU DON'T KNOW ABOUT IT, BUT UNFORTUNATELY OR PERHAPS FORTUNATELY SHE IS NO LONGER HERE.

PANDORA? DON'T SPEAK ABOUT IT. SHE'S JUST A NAME TO ME NOW.
YOUR AUNT MARGARET CAN SANDBLAST ANOTHER.

Yes, my dad. Aunt Margaret's very much in love with him.

Now I understand. Some of your questions about my family.

But, mmm, who really are you?

Who are you? What are you doing here?

Well, I reckon they took what a large part of the treasure from me when I left the place. That was a mistake, I'm sure. I'm sure.

Well, get to the treasure at the map. Otherwise, we won't see a penny. It's not your only chance to get your hands on the treasure. And let's be reasonable. We're not going to help you.

We'll help you with the information. I have a piece of chicken. I don't wonder if you were with me, but I can't see your face with fear.

I see what you mean is that I can't. I can't. I can see, though. I can see the treasure. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it. I can see it.
